

THE TRINITY TRIBUNE

March 2025

The monthly newsletter of Trinity Lutheran Church & School in Fergus Falls, MN

Dear Friends in Christ,

Trinity Lutheran Church in Fergus Falls has for its entire history been a member congregation of The Lutheran Church – Missouri Synod. That might make you curious about the LCMS. What is the LCMS all about? We could answer that question historically, focusing on the origins of the Synod, its spread in the 1800s and 1900s, and its position within both American and global Lutheranism in the past and today. We could also answer the question doctrinally, focusing on our clear confession that the written Word of God (Old and New Testaments) is the only rule and norm of faith and practice, and that the documents contained in the Book of Concord are a true and unadulterated statement and confession of the Word of God. But a current event leads me to want to answer the question ecclesiastically.

The Lutheran Church – Missouri Synod is a church body, or a denomination. That means it is a body of congregations joined together in a common confession of the faith for mutual support and encouragement. The LCMS is organized into 35 districts across the United States (along with a small number of congregations in Canada), and has partner churches all over the world. The headquarters of the Synod is near St. Louis, Missouri, and the current President of the Synod is President Matthew Harrison. The church body also is served by two Seminaries and a number of Universities.

The Synod has a number of officers and boards that carry out operational work for the church body on a day to day basis. However, the chief authority of the Synod is invested in its members, and is exercised in conventions. The term member is used in a very specific way here. The LCMS has always sought to maintain a balance of authority invested in congregations and in pastors. Accordingly, congregations are members of Synod, and pastors are members of Synod (as are commissioned ministers, though these are not able to be voting members). When conventions meet, the assembly is made up of delegates. For national conventions, each electoral circuit selects one pastoral delegate and one lay delegate. The National Convention is held on a three-year cycle. The next National Convention will be held in 2026 in Phoenix.

As mentioned above, Synod is divided into Districts. Trinity is part of the Minnesota North District of the LCMS. I mentioned earlier a “current event” that led to me writing this article, and that current event is our District Convention, which met February 23-25 in Grand Rapids. At the District Convention, each parish (sometimes one congregation, other times a grouping of a number of congregations) is entitled to send a pastoral delegate and a lay delegate.

The District Convention is an opportunity for worship and study of the Word of God together, but also a time to carry out the “business” of the District, such as selecting various officers for the District and also addressing matters. These conventions are also held every third year, the year before the National Convention.

At the time I am writing this, the convention is next week. Gary Schmidt and I will be representing Trinity at the convention. By the time you read this, it may well be past. But I am confident that it will be an edifying experience and that the “business” of the church will be attended to, so that the congregations can continue to do their work of giving and receiving God’s gifts in Christ. Let me know if you have any questions about the convention or about Synod. I’d be happy to try to answer them.

Peace in Christ,
Pastor Lieske

Meet the Trinity Family

The Quilters

Quilters who were at work on Feb. 13th were asked to answer from a choice of questions about quilting, their families, other interests, and favorite Bible verse or hymn.

June Knopp enjoys being a part of the quilters and making loom caps at home. She enjoys the projects and the socialization. She has 8 grown children: one in Fergus, one in Moorhead, and the others are scattered. She also has 5 grandchildren. Other than these activities, she has done knitting, crocheting, and embroidery. She also enjoys reading and jigsaw puzzles. Her favorite hymn is "I'm But a Stranger Here." It was a comfort to her when she was struggling when living in California and has been used for several family funerals.

Margie Rasmussen comes from a family of quilters. Her mother made each of her 7 children a wedding quilt and each of her 17 grandchildren a graduation quilt. Her sister makes baby quilts for the grandnieces and grandnephews. Margie sewed her first quilt at age 11. She inherited her mom's fabric stash so she is using that for church quilts along with fabric that she has acquired through her thrift store shopping hobby. Her favorite hymn is #547 - The Lamb - for the music and lyrics.

Liz Schoening has been quilting for over 30 years. She has probably made over 100 quilts. Her favorite quilt pattern is a star! She belongs to two quilt guilds in town. Her favorite thing about being in these groups is sharing ideas. She has been married to Wayne for 50 years. They have two daughters and two grandsons - ages 11 & 12. Her other main interest is gardening.

Renee Goff loves sewing and always wanted to learn how to quilt, so she joined the quilters group about 15 months ago. She used to sew all of her kids clothes when they were little, and made ballroom gowns for her nieces out of bedsheets for Job's Daughters. She sewed over 100 quilt tops in her first year and has made up to 6 quilt tops in a week. Now she shares her time with embroidering. She makes quilts for her family and made a lap quilt for a family member who has cancer. She loves being able to get out and visit with her quilter friends and learn what they have to share.

Renee lives on a 112 acre farm on High Island Lake with her son, daughter-in-law and 2 grandchildren. She enjoys embroidering, putting puzzles together, and taking care of her chickens. She has many favorite hymns. A couple of them are Amazing Grace and Beautiful Savior.

Nadine Drevlow joined this group because it is a great way to learn about quilting. Charity quilting is very forgiving. The quilts can be made of squares sewn together and tied with a square knot. There are a variety of activities that go into making a quilt. She has fun working with the other quilters because they help each other and learn together. It is simple and doesn't require much concentration. Even 10 years olds have tied quilts. Nadine is married to Myron. Besides quilting she enjoys viewing God's creations, reading, playing games, sewing items for Orphan Grain Train and LAMP. Her favorite Bible verse is Matthew 6:33

Not pictured: Linda Schmidt who comes when she can. Carla who works from home. JoAnn - a summer resident who helps when she can.

~~~~~

Interested in becoming a Trinity Quilter? – They usually meet every Thursday beginning at 12:30 to tie quilts. Cutting squares and sewing them to make quilt tops can be done at home at your leisure. The quilts go to Veterans, silent auctions, hospice, all over the world through Orphan Grain Train, and to whatever need might arise. Contact Nadine Drevlow for more information. 218-770-3679

There is a sign up sheet in the kiosk for Lenten lunches. A Thrivent Action Card has been approved to help pay for the main meal. Check with Ginny Lange. Donations in excess of expenses will be gifted to Lutheran Island Camp for new mattresses for the Education Retreat Center (ERC). Anyone who has ever slept there will greatly appreciate this! The camp goal is 66 new mattresses at approximately \$200 each. The goal for Trinity is to help purchase 3 mattresses or more!!!

One of the Lutheran Women's Missionary League (LWML) Mission Grants that will be funded by mites collected is the Mercy Holistic Ministry. In 2021, Mercy Holistic Ministry (MHM) purchased a portable, two stall shower trailer, bringing showers and the Gospel to parks, parking lots, and community locations of Sacramento where unhoused people live. While their physical needs are addressed, these underserved people will hear that the blood of Jesus washes their sins away and gives eternal life to them.

**MISSION OUTREACH ENDOWMENT FUND** — We have \$3,217.17 available from the Endowment Fund for Mission Outreach in 2025. All boards, committees and/or congregation members are invited to apply for grants

by March 31. The Endowment Fund board will review the applications submitted and the approved grants will be available for distribution by the end of May. This is an opportunity to share the love of Jesus Christ with others through local or global Mission Outreach efforts, special activities and/or mission outreach projects. All ideas to spread the Gospel message will be considered. The simple application form is available at the kiosk in the Narthex. Please address any questions to the Endowment Fund board officers – Dave Schneeberger, Tina Eberle or David Hauser. Please drop off the completed application in the church office or the Global Outreach church mailbox.

It's time to register for camp! Trinity members who are registering their kids for Lutheran Island Camp and are in need of a discount in the cost of tuition may contact the church office or Esther Schlicker to get a sponsor code to use during online registration. Camp brochures are available in the kiosk.

## Chili Cook-off 2025

Those who braved the cold on Sunday, February 16th were treated to a culinary fiesta! Attendees were asked to vote for their three favorites chilis in a ranked order: 3 points for 1st place, 2 points for 2nd, and 1 point for 3rd. Renee Goff was the overall winner with 6 first place votes and a total of 28 points! Tina Eberle finished in a close second place with 5 first place votes and a total of 27 points. Tied for third place were Shari Sorkness and the Brenda and Graham Olson team which each had 21 points. Thank you to all 10 competitors for sharing your cooking skills with the congregation, thank you to those who helped out, and thank you to everyone who brought something to go with it! Renee will be the reigning champion until 2026! Everyone else should be working to fine tune your recipes if you hope to claim the title next year!

# Trinity Preschool

Dear Trinity Family,

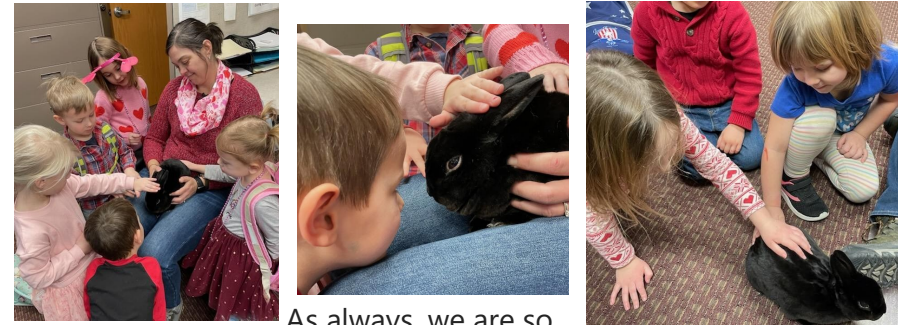

We want to extend a heartfelt thank you for the wonderful sleds that were donated! The children have had an absolute blast sledding on the days when the weather allowed. Their laughter and joy were a beautiful reminder of the simple blessings in life, and we are so grateful for your generosity.

This month, we have been busy learning about the love of the Lord and the teachings of Jesus. With Valentine's Day, we celebrated love and friendship in many special ways, reinforcing the kindness and care that Jesus calls us to share with one another.

One of our Feb. visitors was Dr. Stacy Lung who shared with us about rocks and God's great Earth. We also had a delightful surprise when Mrs. Larsen brought in her rabbit named Prince. The children were fascinated by the furry visitor, and it was a wonderful opportunity to practice gentleness and appreciation for God's creatures.

As always, we are so thankful for the love, support, prayers, and encouragement from everyone at Trinity. Your kindness and generosity make such a difference in our little learners' lives, and we are blessed to be part of this community.

## Trinity Homeschool Co-op in February

It's been another great month. On Jan 26<sup>th</sup> our Co-op children got to sing "I Am Jesus Little Lamb" for church. Though a couple families were out sick, we still had a great showing and the kids sang out nice and loud. Thank you to everyone who approached the families afterwards and showed appreciation for their singing. The kids were beaming!

The following week the kids got to make Valentine's Day cards for Trinity's homebound members. Pastor will be delivering these soon as he visits folks

The third week of February the kids learned more about percussion instruments specifically, as well as how a piano works on the inside. It was neat to see all those details that we generally don't think about.

The first week of February the co-op got to play music to the story Pete the Cat: I Love My White Shoes for Mrs. Larsen and the preschoolers. It's fun to share our newly learned skills with others!

Dr. Jill Iverson D.C. Chiropractic Physician came to speak to the kids. We learned about the spine. She spoke about bone and nerve alignment and the different ways they could go out of alignment. The kids got to see a model of a spine and touch one of the tools chiropractors use (that was invented in Minnesota!)

We also got to tour the Northern Aire Lanes bowling ally. Luke was very kind and thorough in showing the kids everything. They got to see behind the counter, in the kitchen, the lanes, and the machines that keep the lanes running. They learned just how much goes into both bowling and running a bowling ally.

In March we look forward to a field trip to the radio station, more crafts, and a dental hygienist for our guest speaker.

Thank you all for your amazing support. This co-op is a blessing to many families and children who want to raise their families with a Biblical worldview all day long.

If you know anyone who would like to join the Homeschool Co-op in this, please contact Michele Lieske: [MicheleLieske@gmail.com](mailto:MicheleLieske@gmail.com) or direct them to our website, linked at the top of Trinity's website.
