

THE TRINITY TRIBUNE

May 2025

The monthly newsletter of Trinity Lutheran Church & School in Fergus Falls, MN

Dear friends in Christ,

Alleluia! The Lord is risen! He is risen indeed! Alleluia!

I write this on Easter Wednesday, and I am reflecting on the past week. Holy Week and Easter are always such wonderful remembrances of all that Christ has accomplished for us, and they give the faithful a chance to step away from numerous other distractions, and contemplate the mystery that the Son of God came to die for our sakes, and to put death to death in His resurrection.

A number of our church members, over the course of Holy Week, encouraged me in the midst of the busy-ness of the week. I am immensely grateful for the care that the members of our congregation have shown and continue to show for me. It is true that Holy Week can wear a pastor out. But it is a good “worn out,” if that makes any sense. Those services are some of the most meaningful services of the year, and I appreciate the chance to celebrate them with you. I would hate to ever sound like one who is complaining about being worn out. A better way to say it is that I rejoice in being worn out!

My prayer is that you also were able to watch and wait, to rest with the Lord, to behold the life-giving cross, and to sing your alleluias that the tomb is empty and the Lord is risen. By Monday morning, the local stores were marking down their Easter merchandise and moving on to the next thing. But Easter has just begun! The 50-day Easter season continues with six more Sundays, leading all the way up to the day of Pentecost, and so we continue in “Easter Triumph, Easter Joy!” We hear of the Easter evening appearance of the Lord to the disciples, and a week later to Thomas. We hear the Lord’s reminder that He is indeed our Good Shepherd. We will hear much of the Lord’s teaching from the night before His crucifixion as recorded in John 16. And we will celebrate the Ascension of the Lord.

The whole season reminds us that our victorious, risen Lord Jesus ascends to the right hand of the Father, where He intercedes for us, preparing us also to recognize and rejoice that He sends the Holy Spirit upon all flesh at Pentecost. It is this pouring out of the Spirit that enables those who are dead to be made alive in Christ, that joined to Jesus by faith, they be reconciled to the Father.

The bunnies and the baskets may have gone away, but Easter continues. Alleluia! The Lord is risen! He is risen indeed! Alleluia!

Peace in Christ,
Pastor Lieske

Meet the Trinity Family

Hebrew Study Group is for people interested in learning or brushing up on Biblical Hebrew. Michele Lieske and Brenda Olson have previously studied Biblical Hebrew. They lead the group and help to answer questions. Utilizing free videos from Concordia Seminary, along with the textbook by Dr. Andrew Bartelt, each member of the study group progresses at his or her own pace. We meet each Friday to encourage one another as well as to check exercise answers and to ask questions. All are welcome. If you have an interest or just a curiosity about Biblical Hebrew, you are welcome to drop in any Friday from 9am-11am when Hebrew Club meets.

Class members were asked to answer a few questions about themselves and their experience in the group. What made you decide to join Hebrew Group Study? What have you found challenging about learning Hebrew? Have you been surprised by anything that you have learned? Have you studied any other languages? Family, interests, activities, favorite Bible verse or hymn?

Bobby J. Emerine had been self studying for over a year. Finding that there was a group study that he could join was a blessing. Challenges have come with syntax, grammar, connecting to the rich history of the Hebrew language, and Israel as a people group and a country. He is constantly surprised! Only 3 consonants can literally create so many words, thoughts, and feelings. He has never studied any other languages. He is 74 years old and of Norwegian and Shoshone heritage. He retired from law enforcement and is a Navy veteran who served in Vietnam. He has 4 adult children, 12 grandchildren, and 12 great-grandchildren. Favorite verses Ecclesiastes 5:2 & Micah 6:8

Michele Lieske said that she and Brenda decided that it would be fun to refresh their Hebrew together and started meeting weekly. This is a refresher for her, but she had to pass a Hebrew exam for her Master's degree in 2006. This time around, the most challenging aspect is working it around real-life. She has been surprised by how quickly it comes back. Dr. Bartelt's Hebrew Dad jokes have been a pleasant surprise. Other languages - Persian, French in H.S., Latin, Canadian French was her first language, but she learned English starting at age 5. She is married to Pastor Lieske and has four kids. They have homeschooled since Ana was in kindergarten. Interests - Biblical languages, Tae Kwon Do, homeschooling, reading, writing, and sewing. Current favorite verse - John 16:33

Darby Bowyer joined because she wanted to gain a better understanding of the Old Testament in its original context. She has found reading and writing from right to left to be challenging. She has been surprised to find that she already knew some Hebrew words. She has studied Spanish in the past. She is married and has 3 little girls. She enjoys baking and is a novice gardener. Her favorite hymn is What a Friend We Have in Jesus.

Jeremy Wayne Elshaug was asking questions of Pastor Domke as a youngster and in Confirmation when he talked and taught about Biblical languages. Learning the different parts of the language hasn't been too difficult, but bringing it all together has been. The fact that the rules are the rules except when they are not boggles his mind. He has also studied Spanish and French. His family is his brothers and sisters and their spouses. His other interests are Tae Kwon Do, writing, photography, and ceramics. His favorite verse is Romans 1:16.

Brenda Olson took Hebrew in college and wanted a refresher. Her grandma was Jewish and she has always loved the Old Testament. Learning the alphabet is the hardest part because it is pure memorization! Surprising has been to realize that learning the language adds a depth to reading the Bible, because you notice deeper meaning in how the words relate to each other. She majored in Spanish in college and knows a little Japanese from traveling. She is married and her parents live in AZ. Siblings are also in MN. She loves animals, camping, and running. Hymn - Be Still, My Soul.

The Trinity online apparel store is now open! If you need assistance in ordering, see Sarah Goerdt or Kristi Auck on Sunday, or see JoAnn Orpen in the office Tues-Fri. There are a lot of new items since last year, so be sure to check it out!

Hello! My name is JoAnn Orpen and I have been the Trinity secretary since September. I was asked to introduce myself in the newsletter, so here goes. -- I grew up on a small dairy farm near Grygla, MN as the youngest of 6 kids. I had the best, loving, Christian parents that you could ask for. I went to college in Bemidji and then worked as a band director and music teacher for 35 years; 1 year in Plummer, 12 in Silver Bay, and 22 in Battle Lake. I am married to a car guy named John and we live between Battle Lake and Ashby. We have 3 grown and married children and 3 grandchildren. I enjoy music, reading, kayaking, visits with our kids, and traveling; which is a recent discovery! My favorite hymn is How Great Thou Art.

I am enjoying my work at Trinity very much, as well as meeting and getting to know many of the members. I attend Alexandria Covenant Church, so I am not here on Sundays, but if you are ever able to stop by the church on a weekday, be sure to swing into the office to say Hi!

Members of Trinity, their friends, family, relatives, adults and children are invited to attend the Prayer Service on May 3 at 9:30 AM. It will be based on the Beatitudes found in Matthew 5:1-12. It is sponsored by Trinity Lutheran Women's Missionary League (LWML).

This is an opportunity to pray for people in various stages of life that are not always easy to endure, and be blessed and encouraged in your life of faith. As you pray for these people may your mind be drawn to the work of Christ, His life, and His death and resurrection which bless you each day until He brings you home to the kingdom of heaven forever.

The following is another example of LWML mites at work: Camp Restore, a Recognized Service Organization (RSO) of The Lutheran Church—Missouri Synod (LCMS), is located in what was the most violent area of Detroit, the 9th Precinct. Looking at the physical appearance of the area, it may look at like a lost cause. However, there is a strong resilience in this community and strong community leaders. They have the goal of uplifting one another by investing in the people and the places in the neighborhood.

The goal of this LWML Mission Grant is to work in partnership with families and community leaders to break the cycle of poverty by providing a Christ-centered atmosphere full of God's love and grace where families can learn and grow, with access to the needed education and resources. Through education and God's love, the cycle of generational poverty can be broken. Thank you for your support. You can place your offering in the mite box in the narthex of the church, in the freewill offering basket the first Sunday of the month at Sunday Fellowship or give to any LWML member.

The Voter's Assembly Budget Meeting will take place on Sunday, May 18, 2025 at 11:30 am followed by a potluck meal.

Parking lot update:

Gifts, donations, pledges, endowed fund grants, and other contributions have resulted in the full funding of the parking lot project without incurring any debt. A full report of the project will be presented at the annual voters' assembly budget meeting on May 18, 2025. Those who have remaining pledges are encouraged to prayerfully complete their commitments. No new donations and/or pledges are necessary for this project.

Thanks be to God!

Preschool News: Rejoicing in God's Beautiful Spring! 🌸

What a wonderful spring God has given us! At Trinity Preschool, we are filled with gratitude as we enjoy the beauty of His creation all around us. The warm sunshine, budding trees, and chirping birds have invited us into a season full of joy, exploration, and wonder.

Our days have been filled with hands-on discoveries and laughter as we play and learn in the great outdoors. We've been taking the time to slow down and truly notice the world around us—marveling at the way a worm wiggles, cheering as a tire races to the bottom of the hill, and watching in awe as ants work together with purpose. These small moments bring big smiles and even bigger lessons about God's world.

Discovering ↑ duck eggs!

One of the highlights of our month was preparing and serving the **Lenten lunch for the church**. The children were so proud to be part of this special event, helping with joyful hearts. What a blessing it is to see them learning the value of service at such a young age. **What a joy it is to serve the Lord!**

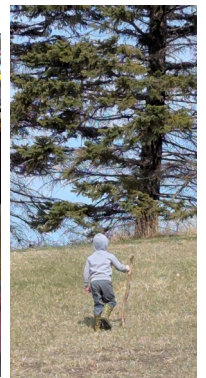

As we continue into the season, we thank God for the gift of spring—full of fresh air, growing things, and the laughter of children. We are so blessed to share this time together, learning and growing in the beauty of His creation.

"Let everything that has breath praise the Lord!" — *Psalms 150:6*

Earth Day clean up

Trinity Homeschool Co-op in April

April has just flown by. Sylvia is still doing amazing things in the music class. It's fun to watch them learn hymns with motions, mostly derived from American Sign Language. The

kids are also learning about tempo in music and Sylvia is teaching the older ones how to play chimes.

The art project was painting terra cotta pots. The kids were all so creative! Some of the younger kids had to be reminded that the inside won't be seen once there is dirt and plants in the pot. The kids all had a blast and are now ready for spring planting!

We visited Nature's Garden World, here in Fergus Falls, for our field trip this month. We were shown around the greenhouses and got to learn how they work. Not only do they absorb heat through a plastic ceiling, but they are also equipped with heaters for those Minnesota winter nights that just get too cold. There is also a vent system to let out the heat when the greenhouse gets too hot for the plants. We also had the opportunity to try some herbs fresh off the plants (mint was a favorite of many), and got to learn all sorts of things about growing plants in Minnesota.

Our speaker for April was Trinity's own Steve Brutlag. He came and spoke to the kids about working in IT (Information Technology). Steve explained the different paths a person can take to work in the field. The most exciting part of his talk was when he showed the physical

components to a computer. The kids got to see the difference in physical size between a laptop hard drive and a desktop hard drive. They also got to see how small a processor is, the fan that keeps a desktop computer cool, and all the components inside a desktop tower.

Mark your calendars for May! Trinity Homeschool Co-op has our end of year program on Sunday, May 4th beginning at 3pm. Everyone is invited! You will get to hear some music, presentations about various field trips and speakers, and see examples of some of our art projects from the year.

Thank you all for your amazing support. This co-op is a blessing to many families and children who want to raise their families with a Biblical worldview all day long. A special thank you to Leon Dawkins who has accompanied us throughout the year with his musical talents, playing guitar for chapel each week as well as our Christmas caroling back in December.

If you know anyone who would like to join the Homeschool Co-op, please contact Michele Lieske: MicheleLieske@gmail.com or direct them to our website, linked at the top of Trinity's website.
