

# THE TRINITY TRIBUNE

June 2025

*The monthly newsletter of Trinity Lutheran Church & School in Fergus Falls, MN*

Dear Friends in Christ,

You celebrate Christmas, right? How come? Now, you might be honest if you were to answer because you like Christmas music, or the Christmas spirit, or there's just nothing better to do in the darkest days of December, but the reason we celebrate Christmas is that the second person of the Trinity, the eternal Son of God, took on human flesh to dwell among us. That is a big deal – Immanuel, God with us.

Boy, do I have a deal for you! Because if “Immanuel,” God with us, is a reason we celebrate Christmas, then the Feast of Pentecost, celebrated this year on June 8, may as well be treated as “Christmas Two.” We read the account of the event in Acts 2.

In that passage, the disciples are gathered together in Jerusalem. Jesus had just ascended into heaven ten days earlier, and maybe they are trying to figure out what comes next. Before He ascended, Jesus had told them, “you will be baptized with the Holy Spirit not many days from now.” And then later, “You will receive power when the Holy Spirit has come upon you, and you will be my witnesses.” And sure enough, on that day of Pentecost, the Lord's words were fulfilled. “Suddenly there came from heaven a sound like a mighty rushing wind, and it filled the whole house where they were staying. And divided tongues as of fire appeared to them and rested on each one of them. And they were all filled with the Holy Spirit.”

At Christmas, we rejoice that God dwells within man in flesh. At Pentecost, we rejoice that God dwells within man in Spirit.

For this is who the Holy Spirit is – the third person of the Holy Trinity, proceeding from the Father and the Son to carry out the work entrusted to Him, work that the Spirit still dwells within man to complete today, even within and among us.

The Word became flesh and dwelled among us! Merry Christmas! The Spirit of God is poured out upon all flesh and dwells in us! Merry Pentecost!

This is cause for celebration, for a very important reason. There is no SALVATION for us without the Word becoming flesh. But there is no salvation FOR US if not for the Holy Spirit being poured out upon all flesh. For it is the Holy Spirit who works in us to create, strengthen, and sustain faith in us. This work that the Spirit does in us is of utmost importance. Because it is the Spirit's work alone that joins us to Jesus in a way that delivers salvation to us, specifically, personally, directly. We cannot do it on our own – remember what Luther teaches in the explanation to the Third Article of the Creed: “I believe I cannot by my own reason or strength believe in Jesus Christ, my Lord, or come to Him.” It is by the Spirit's work in us, as He works through the means of grace, that we receive the grace of God. >>>

On Pentecost day we celebrate and rejoice that the eternal third person of the Holy Trinity, the Holy Spirit who proceeds from the Father and the Son, has deigned to dwell in humanity – in us. Now we are temples of the Holy Spirit, places where God and man meet. If you are going to celebrate Christmas, you ought to celebrate Pentecost, Christmas two, also. There is no better way than in rejoicing in the Spirit's gifts – the word proclaimed, the sacraments delivered. We can do that on June 8, but also every Sunday.

Peace in Christ (and in the Spirit!),  
Pastor Lieske

# Meet the Trinity Family

Dave and Esther Schlicker joined Trinity in 2010 after retiring. Trinity quickly put them into serving Jesus in various ways, teaching 5<sup>th</sup> & 6<sup>th</sup> Bible History class, teaching Sunday school, leading Men's Network, Stephen Ministry, School Board, Board of Christian Education, LWML, playing organ and, and, and.....

Dave was a teacher and principal for 42 years in Lutheran Elementary schools in Crown, MN; Suring, WI; Readlyn, IA; Dearborn, MI; and Cologne, MN. Some of his responsibilities included coaching sports of every kind including cheerleading! He taught Kindergarten and all eight grades throughout the years but not all at the same time, thank goodness. His largest class was 30 eighth graders in Michigan and 30 6-8<sup>th</sup> graders in a windowless room the first year he taught in Cologne, MN. Always interesting that some boys don't believe in deodorant! He served on many school accreditation teams including Trinity Lutheran School!

Esther taught in Isanti Public Elementary School for two and a half years, stayed at home for 14 years with the kids, and taught 22 years in Lutheran schools in Readlyn, IA; Westland, MI; and Cologne, MN. Her responsibilities often included music! Never coaching sports, thank goodness!

Dave and Esther have four children and 12 grandchildren. Their kids live in four different states which include Minnesota, New York, Indiana, and Nevada. As many of you are aware, this gives them opportunities to travel!

Dave was born in Texas, but grew up in Illinois and Michigan. His dad was an LCMS pastor. He has 6 siblings, three of which are with Jesus in heaven. His goal in life was to NOT be a pastor! He attended Concordia, Ann Arbor, for two years and Concordia, Seward, NE, for two years, graduating with a Bachelor of Science degree and Lutheran Teacher Certification. He returned to Seward to get his master's degree, taking summer classes. An exciting achievement was going to state in pole vault as a senior in high school.

Esther was born in southwest Minnesota where she lived until going to college at Concordia Seward, NE. Her dad was a farmer, so she was privileged (more

like obligated) to help with milking cows and doing chicken chores. One of the farm chores she loved was driving the tractor for baling hay and other field work. She is number nine of ten children, four are with Jesus! Her oldest living sibling is 95, way older than her!!! She graduated from Concordia Seward. Her summer job during her college years was working for a Campbell Soup Company where she removed meat from the bones of chickens; not a pleasant job. She claims that Campbells is still using the chicken she threw many years ago as there is very little in each can! Esther played on the Walther League girls softball team for five years, starting between 8<sup>th</sup> and 9<sup>th</sup> grades, playing third base. The team went to state in Minnesota South for all 5 years, - 2nd place once, and state champions for 3 of those!

Some ancestor notes – an ancestor of Dave's traveled from England on the Mayflower in 1620; Esther's grandpa came from Germany to avoid being drafted in the late 1800's using his friend's ticket and name until arriving in New York, entering the country using his own name and becoming a citizen through Ellis Island.

Dave's favorite Bible verses are Ephesians 2:8-10 - <sup>8</sup>For by grace you have been saved through faith. And this is not your own doing; it is the gift of God, <sup>9</sup>not a result of works, so that no one may boast. <sup>10</sup>For we are his workmanship, created in Christ Jesus for good works, which God prepared beforehand, that we should walk in them. His favorite hymn is A Mighty Fortress is our God.

Esther's favorite Bible chapter is Psalm 8. Favorite hymn is too hard to choose – there are many I love and some I hate to play!!

Dave and Esther are happy to be part of the ministries served by the Good Shepherd, our risen Savior, Jesus Christ!

A thank you/newsletter from our adopted seminary student, Matthew Kinne. The original, easier to read mailing is on the bulletin board.

Dear Members of Trinity Lutheran Church, Fergus Falls MN,  
Peace be with you from God our Father, and our LORD and Savior, Jesus Christ.

4/15/2025

My family would like to say, "Thank you," for your continued support while I continue my studies of becoming a pastor at the Fort Wayne Seminary. We'd like to update you on some exciting news from the Kinne household on top of some other updates.

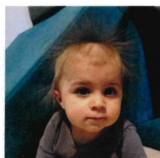

In late March, I accepted the position at CTSFW as the Graduate Assistant for the Pastoral Ministry & Missions Department. This will also be taking place in conjunction with the STM (Sacred Theology Masters) Program where I will focus on a particular area of theology in the church. This program will begin this summer with an eleven week intensive Historical German course which will help all of us in the STM program to read and translate German texts of the church. I am excited for this opportunity to grow in knowledge and understanding before receiving a call next year in the Spring of 2026.

#### Here are a few specific updates on the Kinne Family:

**Matthew** traveled to California with the seminary choir, Kantorei, over Spring break. He also managed to put together the 4th Annual CTSFW Community Recital where musicians were given the opportunity to perform for a live audience in Sihler Auditorium. He also has been filling in on pulpit supply at various churches in the area. This Lenten Season he had the privilege to preach at St. Paul Lutheran Church in downtown Fort Wayne and at Ascension Lutheran Church, Fort Wayne. He will be finishing his Masters in Divinity this spring and will graduate on May 23. As mentioned above, he will continue on in the STM Program for the next academic year, be the Grad Assistant to the PMM Department and will also be the choir director for Ascension Lutheran Church, Fort Wayne.

**Lauren** has been enjoying her time learning how to mill flour, bake bread, and has now branched out to making butter, yogurt, granola, and pasta! She continues to sing in the Schola Cantorum and takes amazing care of the children and the home. She is excited for our family to move to a larger home this summer (see reverse side for new mail address).

**Trinity-Ann** (4) has been loving the stage. Her ballet studio performed at the Embassy Theatre downtown Fort Wayne before Christmas. She sang in the CTSFW Community Recital Choir with mom while dad conducted, and an Old MacDonald Duet with Matthew for the CTSFW Youth Recital.

**Josiah** (almost 3) has been working hard on words and reading, while continuing his interest in monster trucks and things that make noise. He is beginning to really take on the responsibility of being a big brother by playing well with his little brother.

**David** (1) started walking recently, has popped more teeth, and loves to dance. If music is playing in the same room, or

sister is singing, he is moving to the groove. Again, thank you for your prayers, help, and support while the LORD prepares me for the ministry. We will be sure to keep you all in our prayers.

In Christ, Matthew Kinne and Family

## Drive Your "Fun Car" Day!

Ok Trinity people, start your engines! First - On Sunday, June 29th, drive your classic or fun cars, trucks, or other street legal transportation to church in the morning for everyone to enjoy. If the south edge of the parking lot (facing the OTC museum) could be saved for these vehicles, that would be appreciated. Then come back Sunday afternoon with your classic cars, your convertibles, your "T-Tops" or anything that you may drive on a nice Sunday afternoon to enjoy our lakes country landscape. The route will start from our Trinity parking lot, meeting at 2:30 PM, departing to the route at 3:00 and meandering through Ottertail County and the surrounding area. We will stop for our evening meal at a "mystery" restaurant. Kids are welcome to come along on the drive, as space allows, and join the fellowship fun. Invite your car enthusiast friends to join the cruise.

In case of rain, please show up at the church by the 2:30 time, and we will order pizza and just enjoy our time together in Christian fellowship.

Many of us have been blessed beyond compare. Let's share with each other and enjoy the fellowship of our Christian friends. I am so looking forward to this event!

## Preschool: May Memories and a Joyful Close to the School Year

Dear Trinity Lutheran Church Family,

What a joyful and activity-filled month we've had at **Trinity Lutheran Preschool**! As we wrapped up our 2024–2025 school year, May brought with it sunshine, laughter, and so many special memories to celebrate.

We've taken full advantage of the beautiful spring weather with lots of **outdoor activities**—from nature walks and playground games to sidewalk chalk art and bubble fun, the children were eager to explore and enjoy God's creation all around them.

We also proudly **finished our journey through the alphabet**, with creative crafts and learning activities tied to each letter. It's been a blessing to watch our little learners grow in knowledge, confidence, and curiosity throughout the year.

One of the highlights of the month was our **Family Day at Lutheran Island Camp**. It was a wonderful day of fellowship, outdoor adventure, and meaningful time spent with our preschool families. We're so thankful for the opportunity to enjoy God's beauty together in such a special place.

We closed our school year with a **joyful Closing Program**, where our students shared songs, smiles, and a few tears as we said goodbye for the summer. It was a heartwarming way to celebrate all they've accomplished and the relationships they've built.

As we look ahead, we ask you to please **keep our preschool in your prayers**—especially as we prepare for the **2025–2026 school year**. Pray for our students, families, teachers, and for the continued growth and impact of this ministry. May God continue to use Trinity Lutheran Preschool to plant seeds of faith, love, and learning in young hearts.

With gratitude - **Stacy** ♥ ☩ ☐ ☿

## Trinity Homeschool Co-op in May

May was a short month for co-op. We had our end of year program on May 4<sup>th</sup>.

Thank you to all the Trinity Members who came to support our students. They were excited to get to share what they learned this year. We enjoyed all sorts of music from our students as well as presentations on the different field trips and speakers our co-op enjoyed. There was even time for some of the families to share things they did at home this school year.

We met once in May, after our end of year program, to brainstorm for our next year. We are excited to continue music lessons with Mrs. Sylvia Ratcliffe and will be adding elementary grammar lessons to our co-op day. We will continue with our rotating schedule of field trips, art projects, and guest speakers.

If you would like more information about Trinity's Homeschool Co-op, you can go to Trinity's website and click the co-op tab. Please share this information with any who might be interested. Registration for next year is open and can also be found on that website.

Thank you all for your amazing support this year. This co-op is a blessing to many families and children who want to raise their families with a Biblical worldview all day long.

Special thanks to: **Leon Dawkins** who has accompanied us throughout the year with his musical talents, playing guitar for chapel each week as well as our Christmas caroling back in December.

**Pastor Lieske** who lead us in chapel each week and occasionally visited with the families. **The Board of Christian Ed** for making our music classes possible.

**Trinity Endowment Fund** for providing some of our art supplies.

**Trinity** for allow us to use the church and classroom space.

If you know anyone who would like to join the Homeschool Co-op in this, please contact Michele Lieske: [MicheleLieske@gmail.com](mailto:MicheleLieske@gmail.com) or direct them to our website, linked at the top of Trinity's website.
