

THE JANUARY 2026  
TRINITY TRIBUNE

*The monthly newsletter of Trinity Lutheran Church & Preschool of Fergus Falls, MN*

Dear friends in Christ,

Happy new year! I pray that our Lord Jesus will bless and keep you throughout this gift of time that is 2026.

There are some Biblical events that we don't learn about in Sunday School because the reality of the situations is quite awful. An example of this might be the events of Genesis 19. While I recall learning about the destruction of Sodom and Gomorrah and the fate of Lot's wife in Sunday School, we did not study the visit of the angels before or Lot's conduct with his daughters afterward.

There are other narratives we don't learn about in Sunday School because they are just odd. These rarely show up in the lectionary or your favorite devotional either. One I want to draw your attention to is found in Matthew 17.

In verses 24-27, we read about Peter having a conversation with the folks whose job it was to collect the temple tax. The temple tax was a two-drachma tax that Jewish males paid each year to support the functioning of the temple in Jerusalem. The idea behind it was that, by paying the tax, you participated in the sacrifices offered and the atonement made.

Peter is asked whether his teacher pays the tax, and he responds in the affirmative. But then, when he returns to Jesus, Jesus asks him about taxes. His question: "Do kings of the earth take taxes from their sons or strangers? When Peter answers "Strangers," Jesus remarks "Then the sons are free." This is the point of the short passage, but the odd thing is what comes next.

Jesus instructs Peter to go "hook fishing" (as opposed to "net fishing") and in the mouth of the first fish that comes up, he would find a shekel. Jesus instructs him to take that coin and give it to the tax collectors for Jesus and Peter (a shekel was worth four drachma).

If only we could all pay our taxes with whatever we find in the mouth of a fish! This does not seem to me to be an occasion that calls for a miracle, and yet we'd have to conclude that is what takes place in this text: the miraculous receipt of a coin from an aquatic donor.

Immediately before this whole event (24-27), Jesus had shared with His disciples another of His predictions of His passion, telling them He would be delivered into the hands of men who would kill Him, and on the third day He would rise.

Paying the temple tax carries with it the idea that you are supplying for your own atoning sacrifice. You are paying to support the work that makes satisfaction with God. Jesus declaring that He was about to be handed over to death was stating for His disciples yet again that God was providing for the atoning sacrifice. The sons are free, as in, they did not need to supply for their own satisfaction before God. God was doing so for them, providing the pure, spotless lamb who would take away the sins of the whole world: Jesus.

So as to not cause scandal to those who are still paying the tax, the Lord accounts for Himself and Peter, but even in this miracle, Peter provides nothing. God gives, he receives. This is how it is for us with all things. Thanks be to God who puts coins in the mouths of fish and also provides for all our needs of body and soul.

Peace in Christ,  
Pastor Lieske

**Share A Ride  
to Church**

We are looking to create a list of folks who may be willing to give rides to church on Sunday mornings to people who are otherwise unable to attend. If you might be willing, please let Pastor or JoAnn in the office know so we can add you to the list. Thank you!

## Congregational Catechism Review

*Each week, a portion of Luther's Small Catechism has been appointed for congregational focus. You are encouraged, as you are able, to meditate on this section of the catechism throughout the week and to commit it to memory. In certain weeks, the portion of the Catechism that we are focusing upon is quite long.*

*While you can certainly review the whole portion, in those weeks focus particularly upon committing the **bolded section** to memory.*

January 4

### The Introduction

Our Father who art in heaven.

*What does this mean?*

With these words God tenderly invites us to believe that He is our true Father and that we are His true children, so that with all boldness and confidence we may ask Him as dear children ask their dear father.

January 11

### Holy Baptism - Fourth

*Where is this written?*

St. Paul writes in Romans, chapter six: "We were therefore buried with Him through baptism into death in order that, just as Christ was raised from the dead through the glory of the Father, we too may live a new life." (Romans 6:4)

January 18

### The Sixth Commandment

You shall not commit adultery.

*What does this mean?*

We should fear and love God so that we lead a sexually pure and decent life in what we say and do, and husband and wife love and honor each other.

January 25

## The Second Article

*What does this mean?*

**I believe that Jesus Christ, true God, begotten of the Father from eternity, and also true man, born of the virgin Mary, is my Lord,** who has redeemed me, a lost and condemned person, purchased and won me from all sins, from death, and from the power of the devil; not with gold or silver, but with His holy, precious blood and with His innocent suffering and death, that I may be His own and live under Him in His kingdom and serve Him in everlasting righteousness, innocence, and blessedness, just as He is risen from the dead, lives and reigns to all eternity. This is most certainly true.

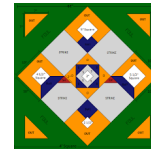

### Mites goal for January

#### **Mission Grant #5**

Growing Together to Share Braille and Large Print

Millions of people around the world are blind or visually impaired and are seeking to strengthen their Christian faith, but find it difficult to access scripture-based reading materials. Lutheran Braille Workers (LBW) is committed to providing Christian materials in braille and specialized large print worldwide at no cost.

With a part of the grant funds, LBW will establish five new Ministry Production Centers in the United States. This grant will allow LBW to produce and freely distribute approximately 10,000 additional volumes of Bibles and other Christian materials.

Our next evening of dartball will be on Monday, January 5 at Zion Lutheran in Detroit Lakes beginning at 7:00. We will carpool from the Trinity parking lot at 5:45 for fun, food and fellowship. Please contact Wayne Schoening if you have any questions or if you are able to join us.

The Preschool students will present their postponed Christmas program on Thursday, January 8th at 5:30 pm. Please join us!

The Outreach Board is looking forward to the Sanctity of Life Sunday on Jan. 18th. We are holding an ingathering for the Health Resources Center (pregnancy center and more) in Fergus Falls. Please consider supporting them by donating

diapers Sizes 4-6 and Pull-ups, baby wipes, receiving blankets (no quilts please), wash cloths, burp cloths, baby care products (baby wash, shampoo or lotion), new or like new boys & girls clothing (sizes NB-3T), children's outerwear, bibs, pacifiers, rattles and infant toys. Thank you for your generosity!

Lutheran Island Camp is now offering an opportunity for campers and their families to sponsor their favorite horse from camp. Each sponsor will get a photo of their horse on a postcard and a small keychain or bracelet. Sponsors will also receive a quarterly email from their horse with photos and videos included. Why sponsor a horse?

Lutheran Island Camp's Horse Program at Christ Serve Ranch is an integral part of our mission and ministry. Each summer, our Horse Camp sessions fill up to the max and campers get to experience the joy of learning to ride and take care of one of God's creatures. We love our horses and the Horse Program. However, there are significant costs to keeping the program running and thriving. Our new Sponsor-a-Horse Program will help alleviate the costs and ensure that the Horse Program is around to bless many more campers to come.

Your \$40/month will go towards farrier care, food, equipment, and basic needs. You can sign up to give monthly, annually, or biannually.

## God's Mission for Shamattawa

It had been about a year since we had the opportunity to spend time with the children and adults in Shamattawa. It was also very evident that winter had already set in as the team landed in the snowy north. Rev. Keith and Sylvia Ratcliffe along with Randy Heide, LAMP missionary, joined Dave Schneeberger on God's mission to Shamattawa. We settled into the school where we would stay during our time in the community and discussed the plan for our time in the school.

Over the next three days we started the day by helping serve breakfast to the kids as they arrived at school. It was a great way for them to see us in action and for us to hear their comments and see their smiling faces. We were able to spend time in most of the classes where Pastor Randy shared a message about GRACE – God's Riches At Christ's Expense and told the children we all make mistakes and are not perfect, but God has forgiven those mistakes when he sent Jesus to shed his blood, die on the cross and rise again so we can have eternal life with him in heaven. He also reminded them that God doesn't make junk! We handed out bead cross necklaces and Pastor Keith shared the explanation for the cross and each of the bead colors. Sylvia led the classes in two songs and we gave coloring sheets, Christmas activity booklets and knit stocking caps (toques) that had been handcrafted with love from our Trinity Lutheran knitters, to each of the children. We also handed out Pocket Prayer Quilts to some of the older kids and adults made by one of our Norway House volunteers, Sheila Sandell, and her prayer group.

It was another amazing year for us to spend time with the kids and adults in the community, to see their smiling faces and receive their hugs, to catch up with some of the kids who have attended VBS in the past, to strengthen relationships and to share the message of Jesus with all of the students in the classrooms. Pastor Keith and Sylvia shared how this trip helped them realize how much they missed going to remote areas to share Jesus with the children and adults in those communities and are looking forward to returning to Shamattawa and/or Norway House if given the opportunity in the future.

We are so blessed to have the opportunity to continue this mission and outreach with the children and adults we connect with in the Shamattawa school and community with the seeds we plant through our contacts. Thanks to the members of Trinity Lutheran Church and School for your prayer and financial support as well as your knitting efforts in making this mission possible. Your continued prayers for the community and school leaders who are working to make a difference and for the children and other adults to remain receptive to God's ministry and mission for Shamattawa are greatly appreciated.

To God be the glory!!

# Meet the Trinity Family

Asher & Anna Mort

Asher was born in Florida and lived the first few years of his life in Alabama before moving to St. Louis, Missouri. Anna was born and raised in St. Louis. A college filming project for Asher's sister (who went to the same college as Anna's brother, hence the mutual connection) was our first introduction. Asher and Anna hung out with Anna's miniature horse, Pearl, at the back of the group talking for hours. Pearl was the "flower horse" in our wedding on May 18, 2019. We moved to Minnesota in March 2023.

Anna is a Patient Account Liaison in the reimbursement department for a medical device company. Asher previously worked as a milk hauler and is now exploring different career paths.

We are so grateful for the faithful preaching & teaching of God's Word and the wonderful church family we have at Trinity. Asher is on the Board of Christian Education. Anna is on the Stewardship Board and sings in the choir. We recently became Ushers, too.

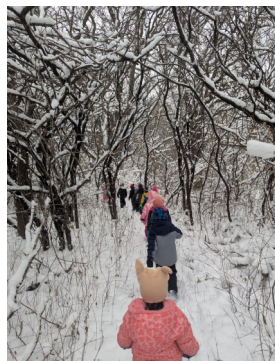

Asher's favorite hymn is LSB 941 "We Praise You and Acknowledge You, O God." Anna's favorite hymn is LSB 935 "Tell Out, My Soul, the Greatness of the Lord."

## December Joy at the Preschool

December was a month full of joy, laughter, and learning at our preschool! As winter arrived, the children embraced the season with lots of outdoor fun. They spent time playing in the snow, laughing as they explored, and enjoying many days of sledding. A heartfelt **thank you to those who donated sleds**—they brought so much excitement and helped create wonderful winter memories for our preschoolers.

Inside the classroom, the children have been busy preparing something very special. They have been practicing their **Christmas program**, which joyfully proclaims the birth of our Savior, Jesus Christ. We warmly invite you to join us on **Thursday, January 8 at 5:30 p.m.** as the preschoolers share this message through songs and recitations. Please come and celebrate with us!

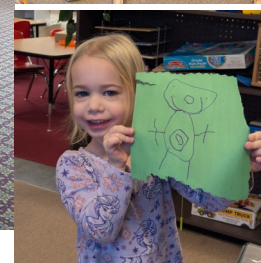

The preschoolers also enjoyed a unique farm-to-table experience this month. Using a pumpkin grown right in their own garden, they worked together to make a delicious **pumpkin pie dessert**. It was a wonderful way to connect God's creation with hands-on learning—and it tasted great too!

We are deeply thankful for the continued love, prayers, and support from our church family. You help make it possible for our preschool to be

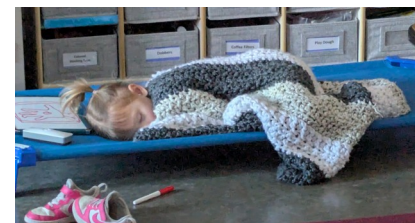

a place where children grow not only in knowledge, but also in faith and joy.

*"Every good and perfect gift is from above." — James 1:17*

Thank you for being such a blessing to our preschool community. We look forward to sharing more joyful moments with you in the months ahead!

## Trinity Homeschool Co-op

December is a short month for co-op. The first week we had our last music class before the New Year. At the end of class, the older kids played "Jingle Bells" on the boom whackers. It was fun to see them coordinate and play the song well. By the size of their smiles when they were finished, they were pretty pleased as well.

Following music class, we headed out for our annual Christmas Caroling. We were blessed to once again have Leon Dawkins accompany us on guitar while Lori Dawkins helped to lead the singing. Like last year, we first sang at Mill Street Residence in the dining room. Several of the residents came out to listen to us and sure seemed to enjoy it. We even got to see some Trinity members in the group!

After we finished at Mill Street Residence, we headed over to Park Gardens dining room. The residents smiled and some even sang along. One very enthusiastic cook cheered for us after each song and gifted the children a treat when we were done. After the main dining room, we also sang in the memory dining room.

Following our caroling, we returned to Trinity for our annual cookies & cocoa. Leon Dawkins graciously provided a lunch for the families. One of the mothers provided cookies and decorating supplies for the kids to decorate their own cookies. It was a beautiful time to celebrate our caroling and the upcoming Christmas holiday. The kids enjoyed spending time with one another.

All that was just our first week of December! The second week of December, in lieu of our usual meeting, we all came together on December 10<sup>th</sup> to make and serve the Advent Luncheon for the 11am

Advent service. Francesca, one of the homeschool mothers, coordinated the main meal and had all the kids working at different stations; chopping vegetables, buttering bread, setting tables, and other jobs to

prepare to serve our meal. It was wonderful to see all the kids pitching in and working together. The meal turned out delicious and the members of Trinity were so gracious to the children who had worked hard to prepare the meal. It was a wonderful time.

The co-op takes the rest of December off so that the families have time to focus on Advent preparations. In January we will work on Valentine's Cards for pastor to take to Trinity's homebound members. (If you know of anyone who might not be on the regular homebound list but would enjoy a card from our co-op, please contact Michele Lieske to let her know). We also look forward to Stacy Lung's visit on January 20<sup>th</sup>, in which she will share how geology shows evidence of creation. Feel free to join us at 10:45am to hear this amazing speaker!

If you know anyone who would like to join the Homeschool Co-op in this, please contact Michele Lieske: [MicheleLieske@gmail.com](mailto:MicheleLieske@gmail.com) or direct them to our website, linked at the top of Trinity's website.
