

THE FEBRUARY 2026

TRINITY TRIBUNE

The monthly newsletter of Trinity Lutheran Church & Preschool of Fergus Falls, MN

Dear friends in Christ,

February is a time when people ponder that wonder that is *amore*, the Italian word for love. The reason why is no great mystery, being the month where we celebrate Valentine's Day, giving great attention to romance as we do so. Movies, songs, books, and all other sort of media try to convey to us that strong feelings of affection (or sometimes lust) is the greatest love that there is.

The Lord Jesus teaches us differently. In John 15, there is a great discourse where Jesus speaks of Himself as the vine and His followers as the branches. In verse 12, He states, "This is my commandment, that you love one another as I have loved you." Then, he proceeds to speak of the greatest love. In verse 13, "Greater love has no one than this, that someone lay down his life for his friends."

Jesus speaks of *agape*, nor *amore*. *Agape* is the most often used word for "love" in the Greek New Testament. It is not a word centered on feeling and emotion, but on commitment and dedication. *Agape* love is love that will do what is right or needed for another no matter the cost or sacrifice it might bring. Images of *agape* might include an exhausted mother getting up in the middle of the night to help a sick child, because the child needs it. Another vision of this *agape* can be seen in the parable of the Good Samaritan, where the Samaritan man helps the beaten Jewish man, even though their cultures make them enemies.

While *agape* love can be present where romantic love is present as well, absent from this concept is any sort of infatuation or self-serving. This is commitment through and through. There is a quote from Dietrich Bonhoeffer from a wedding sermon: "It is not your love that sustains the marriage, but from now on, the marriage that sustains your love." Anyone who has lived long enough has experienced the fact that feelings are fickle. The kind of love that Christ calls for us to show to others, and particularly to our families, is to be anything but fickle. It is to be *agape*. It is to be a commitment to love one another, built upon the fact that Christ has loved us.

Dear friends, *agape* one another as Christ has *agape-d* you. The Lord will give you all manner of opportunities to do so, at home, at church, in the community.

Lent will be starting with Ash Wednesday on February 18. We will have midweek services again each week at 11 and 6. This penitential season gives us great opportunity both to consider our own sinful state but also to marvel in the *agape* of Christ for us as He lays down His life for us, His friends.

Peace in Christ,
Pastor Lieske

Pastor Lieske is holding a monthly, short communion service intended for those who have a hard time attending Sunday services. These spoken-word services will be held at 1:30 pm on the second Monday of each month. If you have any questions please contact Pastor Lieske.

We are looking to create a list of folks who may be willing to give rides to church on Sunday mornings to people who are otherwise unable to attend. If you might be willing, please let Pastor or JoAnn in the office know so we can add you to the list. Thank you!

Congregational Catechism Review

 Each week, a portion of Luther's Small Catechism has been appointed for congregational focus. You are encouraged, as you are able, to meditate on this section of the catechism throughout the week and to commit it to memory. In certain weeks, the portion of the Catechism that we are focusing upon is quite long. While you can certainly review the whole portion, in those weeks focus particularly upon committing the **bolded** section to memory.

February 1

Confession *What is Confession?*

Confession has two parts. First, that we confess our sins, and second, that we receive absolution, that is, forgiveness, from the pastor as from God Himself, not doubting, but firmly believing that by it our sins are forgiven before God in heaven.

February 8

The Third Commandment

Remember the Sabbath day by keeping it holy. *What does this mean?* We should fear and love God so that we do not despise preaching and His Word, but hold it sacred and gladly hear and learn it.

February 15

The Office of the Keys *What is the Office of the Keys?*

The Office of the Keys is that special authority which Christ has given to His Church on earth to forgive the sins of repentant sinners, but to withhold forgiveness from the unrepentant as long as they do not repent.

February 22

The Sixth Petition

And lead us not into temptation.

Lead us not into temptation. What does this mean?

God tempts no one. We pray in this petition that God would guard and keep us so that the devil, the world, and our sinful nature may not deceive us or mislead us into false belief, despair, and other great shame and vice. Although we are attacked by these things, we pray that we may finally overcome them and win the victory.

The Board of Stewardship is reporting that the 2025 year end financials showed a small surplus of about \$3600. Thanks be to God for the elimination of our shortfall! They are also stressing that this surplus is due to several large, one time, year-end contributions. Looking back at prior years it is expected that with a return to normal giving habits the deficit will return in January and following months. Considering this, the congregation is encouraged to prayerfully consider an increase in regular giving.

Mites goal for February Regional Disaster Response LERT Shower Trailers -\$81,500

 Lutheran Early Response Teams (LERT) serve thousands of people suffering from loss due to disaster. When deployed these teams use congregations in the disaster areas as base camps. Most churches lack showers and laundry facilities for volunteers. This grant will fund half the cost of two combination bathroom/shower/laundry trailers to be used during disaster response work.

Greetings from the Jastrams in Japan

We greet you with gratitude and with thanksgiving to God for His many blessings!

In October, we gathered in Echigo Yuzawa for a Lutheran theological conference focused on the doctrine of Justification. Our keynote speaker, LCMS Wyoming District President John Hill, led us in thoughtful teaching and discussion. Between sessions, meals, and worship, conversations continued as friendships were strengthened and encouragement was shared. Once again, we were reminded how God uses these times together to support those laboring in often-isolated settings.

This fall also brought an important milestone with the arrival of our first LCMS vicar assigned to Japan in more than fifty years. After many months of preparation, Vicar Zachary Turley arrived in November and began settling into life and ministry here.

Since his arrival, he has joined worship at several sites and begun language studies. We are thankful for the Lord's provision of additional help for the work here and for the many people whose efforts and prayers helped bring this about.

We continue to encourage Japanese pastors, support translation efforts, and accompany Chinese Christians and immigrants in the Tokyo area as they grow in worship and catechesis. We are especially mindful that this work is never carried out alone. We give thanks to God for you and for the partnership we share in Christ's mission.

In Christ, Dan and Joan Jastram

Recent special events for the Preschool

The children had a fun-filled party at Otter Cove on December 30, making joyful memories together during Christmas break.

On January 8, our students shared their gifts and hard work during the **Christmas Program**, which was a blessing to all who attended.

On January 28-29 the children also enjoyed special **field trips to the Otter Tail County Museum**, where they explored and learned more about our local history. A big thank-you to our staff and volunteers who helped make this experience possible.

Meet the Trinity Family

David and Mary Hauser

Mary & David at Niagara Falls (not our honeymoon)

My family bought a cabin on Otter Tail Lake when I was in the fifth grade. We had been going there to visit my aunt as long as I can remember. There was a picture of me taking a bath in the kitchen sink at the Nifty Nook Resort. So when my neighbor at the lake told me there was a job opening in the Otter Tail County Attorney's office I applied, got the job and moved to Fergus Falls. "Life would be like summer vacation?" Well, I never regretted the move.

After Drake Law School I married my college sweetheart, Mary in Des Moines, Iowa and took her to Minnesota. Another good move on my part. Mary worked in retail and at Communicating For Agriculture until our sons George and Carl were born. We were fortunate to be able to have Mary be a stay at home mom with the kids.

When George was born we had him baptized at St. John's Lutheran Church in Ottertail, where I have gone to church during the summer my entire life. I grew up in an LCMS church and when I started looking seriously for a church home in Fergus Falls, I was most comfortable at Trinity.

Mom & Pops with our
"Little Ones"

With a new child on the way and a three year old about ready for Sunday school I joined by proclamation of faith. When Carl was born he was baptized here at Trinity Lutheran Church.

Joining Trinity proved to be yet another good choice, are you picking up a theme here? We have appreciated the faithful preaching and teaching. We have enjoyed the fellowship and support of our church family. I told people I had joined a church that was large enough that I wouldn't have to

get involved but that didn't prove to work out. It has been a blessing to help with the work of The Kingdom with great people. Even church politics isn't awful (most of the time). Teaching Sunday school was an opportunity for learning and sharing the Word. "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these."

Paul taking Grandpa for a boat ride

We have but one grand child, Paul, but we are as goofy about him as our parents were about our boys. I like to say Grandparents and grand children get along so well ... because they have a common enemy. However, the truth is it was just all the love without all the responsibility. Paul tattled on me to his mother, "Grandpa gave me three cookies." I did.

Since we retired, we have spent a lot of time traveling; more often to Texas than anywhere else, to visit Paul, and his parents. We take a lot of road trips, stopping to see

Paul at the LBJ National Historic Site

Shaving the one who doesn't need it

things along the way. I'm not afraid to fly, it is just more fun to drive. We find interesting routes to destinations, kind of like the shortcuts I used to take to get to school as a kid. Hanging out at the Lake continues to be our summer practice. I've come full circle, now life is like summer vacation. We thank the Good Lord for our many blessings.

Trinity Preschool

January brought cold temperatures, but plenty of warmth and joy inside our preschool classrooms! Even on the chilliest days, the children have been happily enjoying time up on the **snow mountain**, turning winter weather into fun-filled play and lots of laughter.

We were especially thankful to celebrate **National Lutheran Schools Week (January 26–30)**. It was a wonderful time to highlight Christian education and the blessings of our school community. One of the week's highlights was **Family Day**, when children enjoyed building gingerbread houses alongside their families. It was a sweet time of creativity, teamwork, and fellowship.

Throughout the month, we have been talking about our **theme verse for the year, Psalm 98:4: "Make a joyful noise."** We have been thanking God for the many blessings He gives us—our families, our school, our friends, and the joy of learning together each day.

We are grateful for a joyful January and look forward to all that God has planned in the months ahead.

Trinity Homeschool Co-op in January

Co-op has been learning a lot in music class this month. Mrs. Ratcliffe has been teaching the kids different songs that work in rounds and a few of

the moms (myself included) can't help giggling each time the kids sing the "he-haw" portion of the song "Sweetly Sings the Donkey." Mrs. Ratcliffe has also been working with the students to teach them out to play "Rejoice in the Lord Always" using children's handbells and percussions. It's such a neat thing to watch and listen to!

Due to the cold, we don't go on field trips in January, but that didn't stop us from learning! On our arts week, the children made Valentine's Cards, some of which we gave to pastor to share with Trinity's Homebound members.

Our last meeting in January we had an amazing guest speaker. Dr. Stacy Lung from Lutheran Island Camp came to discuss the ice age. The children (and moms!) learned how an ice age is only possible if you have both high levels of precipitation and cold. Yet, precipitation can't really be held in cold air (that's why our skin gets dry & itchy in the winter). Dr.

Lung explained that the only way to get such precipitation and cold together is a global flood as described in the Bible. We are so blessed to have Dr. Lung out each year!

Mrs. Ratcliffe has been working with the kids, practicing "Beautiful Savior." Some of the families came to church and the kids sang it for the congregation to kick off Lutheran Schools week on January 25th. I hope you were able to see them!

If you know anyone who would like to join the Homeschool Co-op in this, please contact Michele Lieske: MicheleLieske@gmail.com or direct them to our website, linked at the top of Trinity's website.
