

THE OCTOBER 2026
TRINITY TRIBUNE

The monthly newsletter of Trinity Lutheran Church & Preschool of Fergus Falls, MN

Dear friends in Christ,

Every once in a while, an amazing claim will be made. Maybe you see it in a magazine, or on a TV show, or on a You Tube video. Someone digging up the ground here, or searching ancient documents there, will find some amazing discovery that either proves or disproves the claims of the Bible. Almost every time, the claims wind up being terribly overstated and, too often, just false.

Today I saw an article where researchers claimed they are 100% sure they found Noah's Ark. To give you the short version, there is formation in the ground in Turkey that resembles what could potentially be the shape of a large boat. Many claim it is a naturally occurring formation. Others have put it forward as the resting place of Noah's Ark. A research crew has done ground scans that they say indicate evidence that the interior of this formation is manmade. They have begun drilling to see what evidences they might find to support their position.

Who knows what the outcome will be? I suspect that they will not find the remains of a thousands years old wooden boat. But I don't know that. I suspect that whatever is uncovered will leave the researchers claiming vindication, while leaving skeptics saying that nothing of consequence is there. I also suspect that, even if verifiable graffiti were found at the sight saying "Noah was here," there would still be deniers.

While there is plenty of evidence that supports the claims of the Christian testimony, ultimately that evidence is not going to move a person to saving faith in Jesus. Peter saw things with his own two eyes, but he encourages looking in a different direction for certainty. From 2 Peter 1, beginning at the 16th verse: "For we did not follow cleverly devised myths when we made known to you the power and coming of our Lord Jesus Christ, but we were eyewitnesses of his majesty. For when he received honor and glory from God the Father, and the voice was borne to him by the Majestic Glory, 'This is my beloved Son, with whom I am well pleased,' we ourselves heard this very voice borne from heaven, for we were with him on the holy mountain. And we have something **more sure**, the prophetic word, to which you will do well to pay attention as to a lamp shining in a dark place" (2 Peter 1:16-19).

Peter regards the testimony of the word as "more sure" even than what he sees with his own eyes. Jesus says something similar in Luke 16. As He gives an account of the rich man and poor Lazarus in life and in death, He tells of this conversation between Abraham and the dead rich man, tormented in Hades, who asks Abraham to send dead Lazarus to his brothers to warn them, so they not be condemned alongside him. The conversation concludes, "But Abraham said, 'They have Moses and the Prophets; let them hear them.' And [the rich man] said, 'No, father Abraham, but if someone goes to them from the dead, they will repent.' [Abraham] said to him, 'If they do not hear Moses and the Prophets, neither will they be convinced if someone should rise from the dead'" (Luke 16:29-31).

Evidences that can be displayed, whether historical, logical, or archaeological, can be helpful for bolstering the faithful in their position and breaking down barriers for unbelievers, but these evidences cannot ultimately take one who is dead in unbelief and make them alive in faith. Luther's Small Catechism spells this out in the explanation to the Third Article, where we confess "I believe I cannot by my own reason or strength believe in Jesus Christ, my Lord, or come to Him." It is beyond one who is dead to make themselves alive. The Catechism continues, "But the Holy Spirit has called me by the Gospel, enlightened me with His gifts, sanctified and kept me in the true faith." Taking the dead in unbelief and making them alive in faith is not the work of persuasive preachers, successful archaeologists, or any other fallen creature. Ultimately, "faith comes from hearing, and hearing through the word of Christ" (Romans 10:17).

So, has Noah's Ark been found? I have no idea. Will I find it really interesting to follow what is potentially discovered at this site? Absolutely. But my hope, and yours, is not built on what we can find in the ground – though really neat things are discovered all the time. Our "hope is built on nothing less than Jesus blood and righteousness," to which we are joined by the Holy Spirit working through Word and Sacrament. Like Peter, we will hold these things even "more sure" than any other source of evidence, because they are God's own testimony.

Peace in Christ,
Pastor Lieske

Pastor Appreciation

On Oct. 11th, LCMS begins our year of church worker appreciation by thanking God for our pastors, who stand in the stead of Christ as they bring us His gifts of Word and Sacrament.

Congregational Catechism Review

Each week, a portion of Luther's Small Catechism has been appointed for congregational focus. You are encouraged, as you are able, to meditate on this section of the catechism throughout the week and to commit it to memory.

October 4 Confession

What is Confession?

Confession has two parts. First, that we confess our sins, and second, that we receive absolution, that is, forgiveness, from the pastor as from God Himself, not doubting, but firmly believing that by it our sins are forgiven before God in heaven.

October 11 The Conclusion

For Thine is the kingdom and the power and the glory forever and ever. Amen.

For the kingdom, the power, and the glory are Yours now and forever. Amen.

What does this mean?

This means that I should be certain that these petitions are pleasing to our Father in heaven, and are heard by Him; for He Himself has commanded us to pray in this way and has promised to hear us. Amen, amen means "yes, yes, it shall be so."

October 18 The Ninth Commandment

You shall not covet your neighbor's house.

What does this mean?

We should fear and love God so that we do not scheme to get our neighbor's inheritance or house, or get it in a way which only appears right, but help and be of service to him in keeping it.

October 25 The Second Article

Redemption

And in Jesus Christ, His only Son, our Lord, who was conceived by the Holy Spirit, born of the virgin Mary, suffered under Pontius Pilate, was crucified, died and was buried. He descended into hell. The third day He rose again from the dead. He ascended into heaven and sits at the right hand of God the Father Almighty. From thence He will come to judge the living and the dead.

What does this mean?

I believe that Jesus Christ, true God, begotten of the Father from eternity, and also true man, born of the virgin Mary, is my Lord, **who has redeemed me, a lost and condemned person, purchased and won me from all sins, from death, and from the power of the devil; not with gold or silver, but with His holy, precious blood and with His innocent suffering and death,** that I may be His own and live under Him in His kingdom and serve Him in everlasting righteousness, innocence, and blessedness, just as He is risen from the dead, lives and reigns to all eternity.

This is most certainly true.

Building Security

You may have noticed some new devices in and around the church.

Cameras have been installed in several places to monitor activity. The purpose is to keep everyone safe and to have video evidence if any suspicious or criminal behavior takes place.

Facial recognition or a code will be used by some to enter the church. This will allow temporary access to be granted to individuals who don't normally need a key to the church.

Footage is stored temporarily and will only be used when there is a need for investigation.

Your keys still work and you don't need to do anything differently.

The ministry and mission of sharing the GOSPEL of Jesus Christ is on-going and reaching many people in Puerto Rico. Some of this may be old news but is being shared again for the sake of prayers for the work and the workers.

Ashley Lehr finished her studies and has been commissioned as a Deaconess and continues serving in Mayaguez.

Pastor Gustavo and Deaconess Ruth Maita continue their work as well in Mayaguez, while growing their family of four children; Mikha, Isaiah, Ivanna, and Zachariah. Ruth recently wrote that they were at a municipal office to pay a bill, and the lady who received them had come to the church for a workshop. They recognized each other and as they left, the woman expressed, "Thank you for everything that you are doing."

Pastor Gustavo has started a group at the church called, "HANDS THAT HELP," that meets for Bible Study and then works on projects that help the community. Between 6-12 ladies gather and are crocheting hats for hospital patients, and reaching out to the community to advance the spread of God's Word.

In Bayamon, (San Juan) the mission continues to grow under the leadership of Rev. Adam Lehmann and family as well as Gustavo Maita's brother, an ordained Pastor. Bible Study, Outreach and worship are the activities that are ongoing, as well as reaching other communities on the island with the hope of having another preaching station: perhaps even a church plant.

In Ponce, Rev. James Neuendorf and his wife, Deaconess Christal, along with a Vicar, continue to spread the good news of Jesus to that community, touching lives with hope and joy!

Continued work and prayers go forth that the people of the many communities being touched will respond and come to know Christ as Savior, Redeemer and Lord for their lives.

Please pray for all of Christ's servants who are working for the purpose that Christ came for ... That the whole world might be saved!

Growing Together to Share Braille and Large Print

Lutheran Braille Workers (LBW) serves millions of visually impaired people worldwide who struggle to access Scripture-based materials. LBW provides braille and specialized large-print Christian resources at no cost. With this grant, LBW will establish five new Ministry Production Centers in the U.S. and host five servant events at LWML conventions, Lutheran universities, schools, and youth gatherings. The funding will help LBW produce and freely distribute about 10,000 additional volumes of Bibles and other Christian materials.

On Sunday, Sept. 27th, Avery Lerbakken, Raylan Flom, Alexis Schneeberger, Aria Flerchinger, Addison Kamrath, Owen Olson, Jace Flom, and Lauriauna Lerbakken received Bibles from the church. Please keep these students and all children of our congregation in your prayers, that they may grow in faith and godliness.

Son of our congregation, Kyle Sorkness was ordained and installed as pastor of Good Shepherd Lutheran Church in Marshall, MN, on September 20. In addition to Schan and Shari, a number of other members of Trinity made the drive down to join the celebration too, including Ken Heidorn, Pastor and Ginny Lange, and Jerry and Cindy Schmidt, as did Jeff Anderson, who had been Kyle's fifth- and sixth-grade teacher at our school. Kyle does indeed thank everyone at Trinity for having been such a significant influence on his life and on his path into the ministry in particular.

"MSL North" Programs for October 2026

Meet the Trinity Family

Arnold and Adrianne Bolland have been members of Trinity for over 40 years. They were married at Trinity in 1988.

Arnold is a graduate of Minnesota State University Moorhead and a certified public accountant. He was employed as a State of MN bank examiner for 38 years and retired in 2014. Arnold enjoys hunting and fishing and has performed numerous duties at Trinity, including being on the School Board, processing donations, ushering, and auditing financial reports.

Adrianne retired from the State of MN as an account clerk senior in 2020 with over 33 years of service. She has been active in several community organizations, but is best known for her volunteer activities of working with children, including Girl Scouts, Boy Scouts, Sunday School, VBS, and teacher assistant in the Preschool classroom.

Arnold and Adrianne have two children.

Their daughter Stephanie is married to Phillip Weiner who has a daughter Layla. Stephanie works for Eide Bailly in their accounts receivable department.

Their son Arnold (many Trinity members know him by his middle name Orion) is married to Kylie and works as a Financial Reporting Manager for Doosan Bobcat North America in West Fargo, ND. Like his father, he is also an accounting graduate of Minnesota State University Moorhead and a certified public accountant.

September means the start of the school year. This year we have great group of kids with a mixture of new and returning families. It is always great to get new families coming to Trinity for preschool. We do still have room for any new friends that would like to join. A back to

school night was held on Wednesday September 2nd and class started on Tuesday September 8th for some and Wednesday September 9th for the rest, 12 students in all.

We started the school year out by focusing on the creation story and how we are wonderfully made by God. The students learned that we are all made different but yet in God's image. One week of school we had a visitor (Helen J.) come in to teach us about the life of a butterfly for the letter B.

The students are also learning to sign the letters along with writing them, so far we have worked on a, b, and c. There has been lots of playing and crafts along side all the learning of the bible stories and letters. Each week we go to see Pastor for a short chapel time and visit Mrs. Orpen for some music time. We also share our show and tells with Mrs. Orpen.

In October, we have a few things to look forward to, picture day, a costume/pjs day and a few days off. Then on October 31st from 2:00-3:00pm there will be a trunk-r-treat held in the parking lot of Trinity. If there are any members that would like to have a trunk please let Karma Schneeberger know. Or if you would just like to donate candy or funds for the event, those can be dropped off in the office anytime before then.

Trinity Home School Co-op in September

We had a great opening month! This year we are doing things a little differently and meeting twice a month. We have 12 families and 40 children birth-9th grade. As always, we open by joining the preschoolers for chapel. Pastor does an excellent job engaging the children of all ages, teaching a Bible Story, a Bible verse, and a Hymn. This month the children are learning Psalm 139:14 and the hymn Seek Ye First (LSB #712).

Mrs. Sylvia Ratcliffe is teaching music again this year. As always, she is doing a wonderful job. A couple of the new families remarked to me that they are impressed with how good she is with the children. They got to learn each other's names using the rhythm game Mrs. Sylvia taught them.

Our first week of co-op we went on a field trip to Sted Foods chocolate factory! We got to learn all about how chocolate is made and what parts of the cocoa bean are used for which parts of the chocolate. We got to see the inside of the factory, the grinders, vats, and molds. The presenter was even dressed up like Willy Wonka!

For our second week of co-op this month, we did an art project. Tenia taught the kids how to weave paper strips into different patterns and mosaics. She also provided the students with beads to make lanyards for their name tags.

Please pray for our homeschool families as they endeavor to teach their children a Christian worldview in all they do.

If you know anyone who would like to join the Homeschool Co-op in this, please contact Michele Lieske: MicheleLieske@gmail.com or direct them to our website, linked at the top of Trinity's website.
